This resolution assumes that there is no annual meeting. It assumes that there is no salary compensation commission established by CL 41.95(4).

Pursuant to MCL 41.95(7), a salary resolution cannot result in a reduction of salary during an official's term of office unless the responsibilities and requirements of that office are diminished, and the official agrees in writing to that reduction.

If, within 30 days after the township board votes, a petition signed by 10% of the qualified electors of the township is filed requesting that the question be submitted to the electorate, the township board shall call a special election and submit the question of salary to the electors.
